## FAQ'S

2023 - 24 SEASON

### **How are subscription payments broken down?**

Our fees are broken down over 12 months for the 10 month season. The reason for this? To help families break down the cost of the season over the year.

### **How does the kit cycle work?**

The match kit stays the same for 2 years and is funded by the club at the start of the cycle (1 kit funded per cycle. How do I get my money back? Parents/guardians buy the kit from our online platform and payments are refunded at the end of the season. Why at the end? To ensure players leaving throughout the year return kit and all fees are up to date.

### **What is the registration fee?**

The registration fee is paid at the beginning of every season (August). This covers all registrations across the different organisations; FA, League etc. This also makes you a NAR member, which gives you benefits such as 10% off events, clothes on our website and holiday clubs.

### **What does the subscription cover?**

Our subscriptions have no hidden costs, training, all matches, referees fees, pitch hire and our end-of-season presentation are covered by your monthly fees.
