TESTIMONIALS

We have used NAR Sports for the past year or so and been very impressed with their organisation and coaching. They are superb with the children, always positive in their praise and ensure their needs are met.

Mr B Cox, Head Teacher - The Dingle Primary School

The NAR team have a vast array of skills and experience and know exactly how to ensure all children can access the lessons and are able to differentiate effectively to maximise progress.

John Frankland - Rode Heath Primary School

At Springfield School, we have been working in partnership with NAR for over 12 months. During this time, they have delivered curriculum-based PE lessons and a wide range of extra-curricular activities to our pupils, who have a range of complex learning and physical needs.

NAR have provided after-school clubs, lunchtime clubs, and holiday clubs, all of which have been extremely well received by pupils, staff, and parents. They have demonstrated a strong ability to adapt their activities and design bespoke sessions, ensuring that every activity is fully inclusive and accessible for all pupils.
